- 2.00 3.00pm

Alternative days and times by arrangement.

Ward 15 Seminar Room, 1<sup>st</sup> Floor, Mackinnon House or via MS Teams. To book, contact the team at gi.mentalhealth@nhslothian.scot.nhs.uk

# Mental Health Quality Improvement and Clinical Innovation Forum Wednesday 27 April 2022

The Mental Health Quality Improvement and Clinical Innovation Forums take place at lunchtime to allow as many colleagues as possible to join in.

Please complete the feedback form <a href="here">here</a> to help us to improve future Forums and other events.

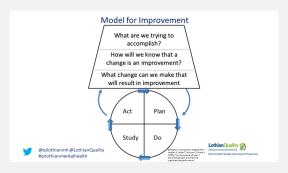

Dr Andrew Lawton formally launched the Mental Health Tribunal Service Patient Information Video with a short introduction to the background of the project. Dr Lawton explained that a patient who had gone through the Tribunal process on a number of occasions helped him to identify a need for more information for patients. Dr Lawton, along with Dr Arun Chopra, initiated a project to provide a information video, speaking to multiple stakeholders, including patients and advocacy services, to develop a useful and meaningful resource.

The Dr Lawton and the QI team would like to hear from anyone in the wider service who would be interested in testing and evaluating the video with patients, relatives and cares and staff. Please contact the team at <a href="mailto:qi.mentalhealth@nhslothian.scot.nhs.uk">qi.mentalhealth@nhslothian.scot.nhs.uk</a> for more information.

Dr Jane Cheeseman introduced the members of the QI team and set out how we can support you with Quality Improvement ideas, projects, support and training.

For more information about Quality Improvement support for your project, or if you would like to present your own project at a future forum, please contact the team at <a href="mailto:ai.mentalhealth@nhslothian.scot.nhs.uk">ai.mentalhealth@nhslothian.scot.nhs.uk</a>.

All lunchtime sessions are available through Microsoft Teams.
